

More Than Margaritas

El Cinco de Mayo— Spanish for “The Fifth of May”— has become known as the day of Mexico’s independence. But it actually celebrates the Mexican army’s 1862 victory over the French at the Battle of Puebla, led by General Ignacio S. Zaragoza.

In 1862, Mexico had just gained its independence from Spain. France seized this as an opportunity to expand its empire and launched an assault at Veracruz, a 600-mile march from Mexico City.

An underwhelming Mexican militia of 4,500 led by Zaragoza met the 8,000 well-armed French troops at Puebla. Though the French army was considered the greatest fighting force in the world, the Mexicans defeated them in this battle.

Six years later, France withdrew its claim on the country. It was this May 5th, David-versus-Goliath moment, that instilled a new sense of national pride in the young country of Mexico.

Happy Spring Greetings...

As we look forward to enjoying some of these warmer days and the beauty that this season brings, we’ve been busy working on our backyard garden/patio area... please stop by to see our progress and share your ideas!

This is the month we have some more exciting things planned, starting with Cinco de Mayo Fiesta dancers on the 3rd, shopping trips, Out To Lunch with Patty and plan on joining us for our Annual Mom’s and Mimosa’s celebration on the 10th as we celebrate those special ladies in our lives!. We’ll have brunchy bites, mimosa’s and some special entertainment as well.

Remember, our Dementia Support Group meets the 2nd Tuesday of each month at 2PM in the AL Bistro. We have interesting topics, offer support and informative guest speakers. Please consider joining us and sharing information about this group with others. Visitors are always welcome!
